Winning Toastmasters

SPEECH competitions are conducted every year by the Burdekin Toastmasters Club with the winners competing at Area level against six other Toastmaster Clubs.

From that level, winners progressed to division, then on to district.

The Area 13 Conference was held on October 11 in Townsville.

This year, the Burdekin club's winners were Terry Morgan in im-

promptu speaking and humorous speech and Allan Duncan with International Speech, while Lyn Williams was successful for evaluations.

If you would like to be part of this dynamic organization, contact the club secretary (4782 1456).

Dinner meetings are held on the first, third and fifth Thursday nights at the Commercial Hotel in Home Hill.
